Explanatory Statement

At this election, the voters of the school district are being asked to consider Bond Proposal Questions No. 1 and No. 2. As set forth above, Bond Proposal Question No. 2 can only go into effect if Bond Proposal Question No. 1 is also approved by the voters at this election.

If Bond Proposal Questions No. 1 and No. 2 are approved by the voters at this election, the Board of Education will be authorized to (a) undertake various improvements, renovations, and upgrades at West Essex High School, including but not limited to the construction of a two-story addition and a new security vestibule, renovations to the Media Center, partial window replacement, structural upgrades, various HVAC and mechanical upgrades, upgrades to the athletic field, upgrades to the existing football field bleachers and press box, and the replacement of select interior and exterior doors and door hardware, including acquisition and installation of fixtures, equipment, and any site work; and (b) undertake various improvements, renovations, and upgrades at West Essex Middle School, including but not limited to a new security vestibule, the removal of an existing concrete trellis, various renovations to the cafeteria courtyard, the installation of a turf field, upgrades to the athletic field, athletic lighting upgrades, and drainage improvements, various renovations to the auditorium, various HVAC upgrades, and upgrades to the athletic field, and the replacement of select interior and exterior doors and door hardware, including acquisition and installation of fixtures, equipment, and any site work.

The total cost for the projects will be \$49,419,634, and the Board of Education will be authorized to issue bonds in an amount not to exceed \$49,419,634. The final eligible costs for the projects approved by the New Jersey Commissioner of Education are \$27,305,757 (consisting of \$14,193,217 for West Essex High School and \$13,112,540 for West Essex Middle School). The projects include \$22,123,877 for school facility construction elements in addition to the facilities efficiency standards developed by the Commissioner of Education or not otherwise eligible for State support pursuant to N.J.S.A. 18A:7G-5(g). The State debt service aid percentage is 40% of the annual debt service due with respect to the final eligible costs of the projects. The Board of Education is authorized to transfer funds among the projects approved at this election.

 Public Question	Municipal Public Question Shall the Mayor and Council of the Township of Fairfield, within 90 days of the passing of this municipal question, adopt an ordinance increasing the funding of the Open Space trust Fund which shall have the following provisions: A. The Open Space Trust Fund shall be increased through the collection of local property taxes in the amount of two (2) cents per hundred dollars of assessed value and the funds shall be designated solely for the purchase and development of property or easements within the Township of Fairfield for active and passive recreation, for conservation purposes, and for maintenance and replacement of active and passive recreation. No other provision of the Open Space Trust Fund will be altered by this amendment.
	Explanatory Statement The proposed increase in funding of the Open Space Trust Fund will be used to purchase property or easements within the Township of Fairfield for active and passive recreation, for conservation purposes, to develop the property for active and passive recreation, and for the maintenance and replacement of active and passive recreation. The additional annual tax levy for purposes of this fund would amount to \$106.28 on the average property in the Township being assessed at \$531,420.00.
