REQUEST FOR VOTER REGISTRATION REMOVAL

You may only request to remove yourself or your deceased next of kin from New Jersey's voter registration database.

To request removal of a deceased next of kin: send requests for removal, via email, regular mail, or expedited mail, and include: a legible, written request, including your name, email address, phone number, and the deceased's name and death certificate.

Send all requests to:

Office of the Superintendent of Elections/Commissioner of Registration
495 Dr. Martin Luther King Jr. Blvd.
Justice Building, Room 103
Newark, New Jersey 07102
TEL: (973) 621-5061 // EMAIL: info@elections.essexcountynj.org

To request removal of your own voter profile:

You may come to our office at the above-mentioned address and request removal of your voter profile by presenting us with your last New Jersey address, and one of the following forms of identification to verify your identity: a social security card, a driver's license, non-driver's identification card from the DMV, a copy of a current and valid photo identification card, current utility bill, sample ballot, bank statement, government check or pay check, or any other government document that shows your name and current address.

You may also provide us with a written request for removal via email, regular mail, or expedited mail. Requests for removal so submitted must contain:

1. a written request for removal, containing your:
 - a. date of birth,
 - b. last NJ address,
 - c. an "original" (or "wet") signature (*see below), and
 - d. a copy of the front and back of your identification (see above list).
2. All letters and copies of identification must be legible and clear. All pictures and signatures must be discernible.
3. Requests are processed within a reasonable time of receipt of your complete submission. We confirm deletion once complete. Incomplete submissions will not be processed.

***An "original" or "wet" signature is fixed to a piece of paper by a writing implement, like a pen. The signature MAY NOT be generated by an electronic device. However, you may take a picture of the wet signature and share it with us electronically.**
